AUSTRALIA

The Geoffrey Tombs Research Fund

The Gemmological Association of Australia (GAA) has established of The Geoffrey Tombs Research Fund in honour of the contribution that the late Geoff Tombs AM, FGAA made to the gemstone and jewellery industry in Australia and also at the international level.

It is proposed that grants from The Geoffrey Tombs Research Fund will be used to assist funding the gemmological research of approved candidates for the Association's Diploma in Gemmological Research.

Completed applications should be submitted for consideration to:

The Gemmological Association of Australia
136 Greenhill Rd
Unley SA 5061
Telephone: (08) 8300 0099
Facsimile: (08) 8179 0499
email: mariec@business-sa.com

All applications for grants will be reviewed by a panel of three gemmologists who are experienced in research. Decisions made by the review panel will be final.

Applicants will be notified of the success or otherwise of their application by the Federal Secretary of the GAA.
